So, you've decided to complete the 411 challenge. A challenge undertaken by only the most tenacious and experienced riders. Complete this challenge and you will be placed among the few warriors who have successfully travelled this route and receive some coveted, limited edition 411 swag.

In order to complete the challenge, you must visit each Barnes Harley-Davidson® store within one business day. At each Barnes Harley-Davidson® store, this form must be signed and time stamped by a sales manager at that store. Please use this form as your official documentation for completing the challenge. Snap a photo of this sheet once it's been filled out, and upload it using the Game of Barnes app.

Good luck on your journey and remember to ride safely! If you take some photos along the way, remember to share them using #BarnesNation or tag us on Instagram @barnes_nation. Happy riding!
